| 40                 | C   | 74%                  | Listening/Viewing     |

\* The “State Result” for each multiple-choice item is the percentage of students who answered the item correctly. The “State Result” for each open-response item is the state average score. The denominator includes all enrolled students except those who were excused based on their 504 plan or their LEP status, or who took the NHEIAP Alternate Assessment.

| 1                  | D   | 71%                  | 5-9                         |
| 2                  | A   | 91%                  | 1-4                         |
| 3                  | C   | 65%                  | 16-18                       |
| 4                  | B   | 58%                  | 1-4                         |
| 5                  | D   | 86%                  | 16-18                       |
| 6                  | B   | 47%                  | 10-15                       |
| 7                  | B   | 69%                  | 10-15                       |
| 8                  | A   | 62%                  | 5-9; 4, 9, 15 & 16          |
| 9                  | C   | 85%                  | 1-4                         |
| 10                 | D   | 51%                  | 10-15                       |
| 11                 | C   | 66%                  | 16-18                       |
| 12                 | B   | 60%                  | 1-4                         |
| 13                 | A   | 55%                  | 10-15                       |
| 14                 | A   | 72%                  | 5-9                         |
| 15                 | D   | 82%                  | 10-15                       |
| 16                 | D   | 62%                  | 5-9                         |
| 17                 | B   | 54%                  | 16-18; 4, 9, 15 & 16        |
| 18                 | D   | 37%                  | 5-9                         |
| 19                 | A   | 66%                  | 10-15                       |
| 20                 | C   | 59%                  | 1-4                         |
| 21                 | C   | 67%                  | 16-18                       |
| 22                 | D   | 64%                  | 5-9; 4, 9, 15 & 16          |
| 23                 | A   | 80%                  | 1-4                         |
| 24                 | B   | 82%                  | 5-9; 4, 9, 15 & 16          |
| 25                 | C   | 77%                  | 10-15                       |
| 26                 | B   | 60%                  | 16-18                       |
| 27                 | B   | 67%                  | 10-15                       |
| 28                 | D   | 29%                  | 16-18                       |
| 29                 | C   | 67%                  | 5-9                         |
| 30                 | B   | 35%                  | 1-4                         |
| 31                 |   | 1.2                  | 1-4                         |
| 32                 |   | 2.0                  | 16-18                       |
| 33                 |   | 1.6                  | 10-15                       |
| 34                 |   | 1.6                  | 1-4                         |
| 35                 |   | 1.1                  | 5-9; 4, 9, 15 & 16          |

\* The "State Result" for each multiple-choice item is the percentage of students who answered the item correctly. The "State Result" for each open-response item is the state average score. The denominator includes all enrolled students except those who were excused based on their 504 plan or their LEP status, or who took the NHEIAP Alternate Assessment.
